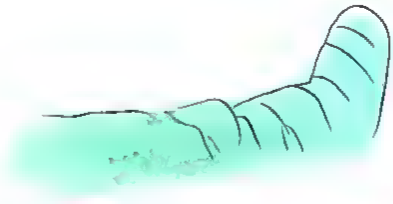
"Choose - Your Past or Present?"

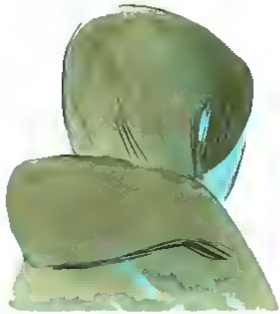
My friend, Juwon, committed suicide.

On the way back from the funeral, Yeonseong and I got into an accident



Fortunately, I wasn't seriously injured. But

I have no memories of my past

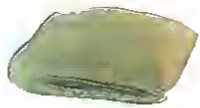


Specifically, I don't remember anything that regarded Juwon

I have found out a few things

Gyutae saw
Juwon coming out
of an OB/GYN clinic

Juwon was
pregnant



and

It seems like it was someone she knew

Back when
it happened,
Juwon didn't want
to report it

At first, I thought she was scared so I tried convincing her

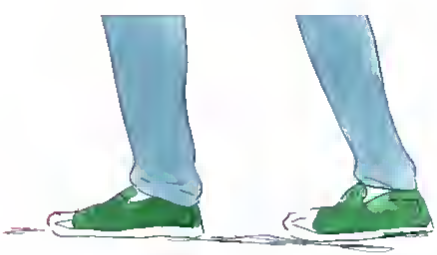
But it seems Juwon

wanted to hide it

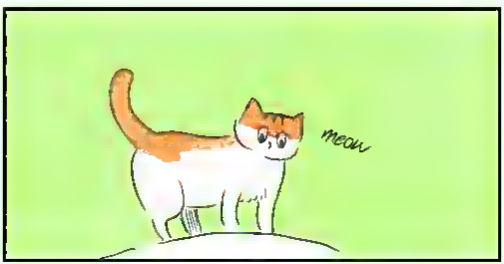
No, rather than just keeping it under wraps.

It seems she wanted to protect the attacker

What a downer.



Although classes still continued,
I didn't go back to school



meow

Yeah,
whatever.
You're a
fat one.

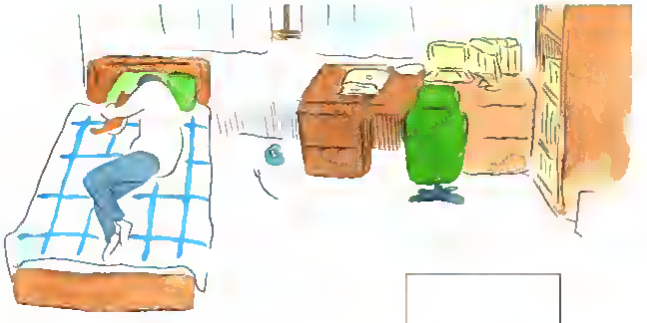
Who needs memories like those?

An inferiority complex from the mysterious wad of cash I didn't know about,

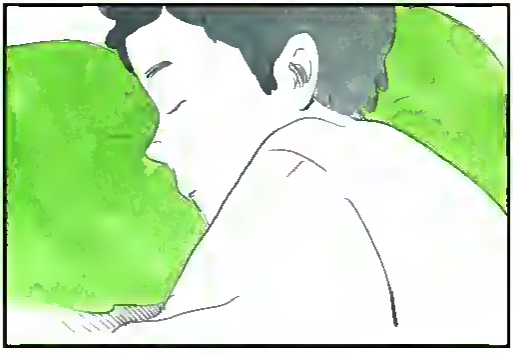
pointlessly incited an already existing curiousity in me

If only I didn't do that

If only



That bastard is out there somewhere living happily



Although someone died,

they'll eat
their meals,

meet their friend

laugh ...

That's really too much

I can't forgive them
Younghwa

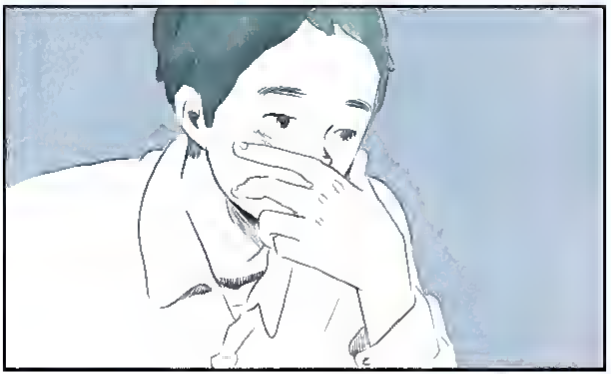
Ju Younghwa
Get up

Mm..
What is
it,Mom?
rub rub

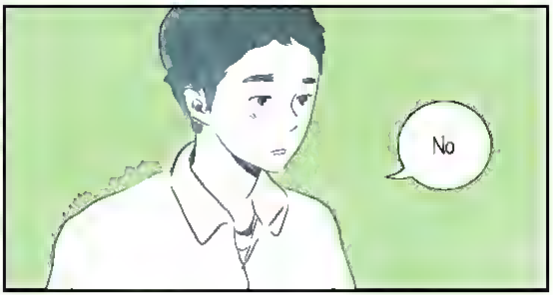
Yeonseong?

What? How'd you get here?
I saw you off at your house last time

Hey, even if it's your friend's house,
this
So what's up?
Now you're casually asking questions?



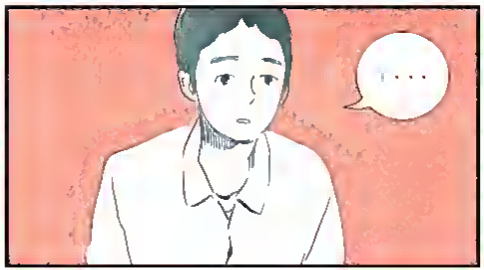
How much
do you know?



No

He made Juwon to do that

Yeah
And you already knew that



.....

It's not me, right?

That's pretty important
Heh

If I say no, will you give up?

Will you return to your normal life again?

I don't know
I want to forget and live my life, but

I can't stop now

Okay.
Fine then.

Do the dead not want to let you go,
or is it that you don't want to let go of the dead?

You're acting strange ?

What's going on?
What's with this guy, he was fine this morning

So
suddenly

Anyway, I
don't think I can
help you

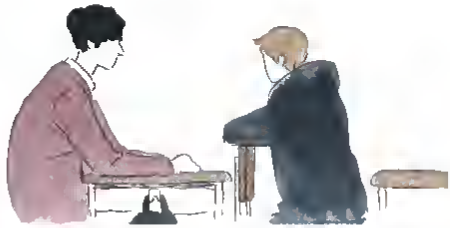
Ju Younghwa, make your choice

Will you choose the past you can't even see,

or will you choose the reality that's in front of you?

Hey, Younghwa

I'll never be able to reconcile with Gyutae.



Are you doing this because of me...

turn away

What really happened back then?

THERE ARE TWO BOYS HERE THAT GOT INTO AN ACCIDENT!
